

WORLD OF WARCRAFT REALM QUALIFIERS

It's the new season of Realm Qualifiers for World of Warcraft TCG and A-1 Comics is proud to offer an opportunity to our local players to qualify for this event! Doors open at 10AM Saturday January 9th, and that's when registration will begin. Entrance into this tournament will be \$30 as it is

a sealed event. 1st place will get a lovely extended art card: Hesriana. If you make it to top 4 you can get an extended art Iravar. For just showing up, the first 24 entrants will receive an extended art Archan Farrum. Something for everyone folks! Come on down to A-1 Comics on Saturday 1/09/09 bring the kiddies!

L5R Harbinger Release Event

L5R fans, because you demanded it, we are having a release tournament on a Wednesday night. Exciting news huh? It is indeed fortuitous that the day after the set releases is already the day L5R players meet to socialize and dishonor each other in the eyes of the Emperor. With the addition of a new set, L5R players will have even more opportunities to bring shame upon each other. As added incentive, every player who participates in this event will receive a "Humble House" holding! Free cards and a new set? Is this too good to be true!? Find out for yourself by coming to our Harbinger release tournament on Wednesday night. For those of you who don't have a clock counting down to the new set, that will be on Wednesday January 20th at 5PM. Don't forget to bring \$20 because it's a sealed event!

WIN A DSI FOR MAGIC OR YUGIOH!

Working under several assumptions, A-1 comics has decided to host two card tournaments. Players will have a chance to win a brand new Nintendo DSi for first place. Those assumptions are:

1. People who play card games also play video games.
2. People who play card games and like to play video games also like getting things cheap.
3. Most people would consider \$10 a cheap price for a Nintendo DSi. If you feel that you might fit into the any of the assumptions made my A-1 Comics, then please feel free to enter either our Magic the Gathering Type II DSi tournament on Friday January 15th @6pm, or our Yu-Gi-Oh Constructed DSi tournament on Saturday January 23rd @ 5pm. Both of these tournaments are a mere \$10 to enter. 9/10 gamers consider this to be a paltry amount for a brand new system!

Worldwake pre-release 01/30/10

Who is ready for the next set in the exciting Zendikar block? Raise your hand! If collectable card games could go platinum, Zendikar would have already done so two to three times. Census reports for attendance for the pre-release for Zendikar estimate 23% more players than the Shards of Alara pre-release set. Any Magic fan will tell you this information comes as no

surprise. Considering how much more awesome Zendikar is than Shards of Alara. Registration for this event starts at 10AM when A-1 Comics opens its doors. Don't forget that January 30th is not only the day for the pre-release of Worldwake, but also the last possible day you can pre-order Worldwake at A-1 Comics Roseville. For those of you unfamiliar with our pre-order promotion: Anyone

who pre-orders a box of Worldwake will receive an additional 10% off our already discounted box price and the first 20 people to pre-order will receive a special variant foil Celestial Colonnade.
